PROJECT TITLE:

PRINCIPAL INVESTIGATOR:

PROJECT STRENGTHS:

PROJECT WEAKNESSES:

ADDITIONAL COMMENTS:

___Proposal does not appear to require 2 year limit to use the proposed IMACS Repository data: ie, it does not appear to conflict with the contributors' primary publications.

OR
___Proposal needs 2 year delay until after the contributors' database has been locked. Chair of the IMACS Research Advisory Committee will inform Principal Investigator of the above proposal, at the time the database is locked.

OVERALL RECOMMENDATION:

___Accept without revision
___Accept after revisions requested in comments
___Re-review after revision

Proposal does not appear to require 2 year limit to use the proposed IMACS Repository data: ie, it does not appear to conflict with the contributors' primary publications.

or

Proposal needs 2 year delay until after the contributors' database has been locked. Chair of the IMACS Research Advisory Committee will inform Principal Investigator of the above proposal, at the time the database is locked.

OVERALL RECOMMENDATION

Accept without revision

Accept after revisions requested in comments

Re-review after revision
